3. How To Enter. In-person entries only. No mail-in or Internet entries. Limit five entries per household address, regardless of number of people living at address. You may enter one of four ways. In-person visit: stop by and purchase a CharityMania Ticket, which contains an access code that allows you to download over $10 worth of premium digital music, at which time you will receive your promotional sweepstakes game card ("Game Card") and be automatically entered to win. Event: Attend any charity event sponsored by your local participating Charity, purchase a CharityMania Ticket for $10.00 and you will receive your Game Card and be automatically entered to win. Solicitation: Door-to-door Charity representatives who are in your neighborhood will offer you a chance to purchase a CharityMania Ticket for $10.00, at which time you will be automatically entered to win. Alternate method of entry: Stop by any participating local charity and ask for a free game card request form. Complete the form with all necessary information requested and mail to the address shown on the request form, along with a self-addressed stamped envelope. Your request form must be postmarked on or before the Weekly Deadline date to qualify for that week's prize. A Game Card will be assigned to you and mailed in the return envelope sent with your form. Even if you do not receive the Game Card before the weekly game for which you qualified, you will still be entered to win. All entrants may enter up to five times, but you may not enter more than one time in a day.

4. How to Play and Selection of Winners. Each Game Card contains 10 randomly generated 3-team combinations ("Team Combination"); total possible combinations: 4,960. Each Team Combination represents one week in the Football season. At the end of the week, go to www.charitymania.com to see how many points each team in your Team Combination scored. In the event that a team in your Team Combination has a bye, that team will be assigned their point total from the previous week. The persons holding the randomly generated Team Combinations with the 25 highest total points are the winners of that week ("Selected Entrants"). In addition, the 5 lowest scoring Game Cards will be Selected Entrants. Although watching and rooting for the teams on your Game Card contributes to the fun of play, it has no statistical effect whatsoever on determining a winner. Team combinations are randomly generated and randomly assigned to Game Cards. In the event of a tie, the number of total yards gained by the teams on a Game Card is used as the primary tiebreaker to determine the winner. The more total yards gained by the teams on the Game Card, the higher the Game Card's value. Please note that higher tiebreaker values are better for the 'High Score Winners' and lower tiebreaker values are better for the 'Low Score Winners'. If two Game Cards are still tied after the primary tiebreaker, then 'total passing yards' is used as a secondary tiebreaker.

5. Notification of Selected Entrants. All Selected Entrants will be notified by e-mail or phone, and be required to respond (as directed) to the phone and/or e-mail notification within 48 hours of attempted notification. The failure to respond timely to the notification may result in forfeiture of the prize and, in such case, Sponsor may randomly select an alternate chosen entrant from among the remaining eligible entries. Each Selected Entrant may also be sent an affidavit of eligibility / liability release ("Release"). Selected Entrants may also be required to provide name, U.S. Social Security Number (for tax form purposes), birth date, current address and phone number. Unless restricted by law, each Selected Entrant will be required to complete and return the Release within the time period specified therein. An alternate Selected Entrant may be randomly selected from among the remaining eligible entries if a Selected Entrant: (i) cannot be reached; (ii) fails to obtain all signatures on the Release and to return the documents in a timely manner as required pursuant to these Official Rules; or (iii) cannot accept or receive the prize for any reason. Selected Entrants will receive

the prize by mail within thirty (30) days of the Sweepstakes end date.

6. Winner Selected Methodology. For weekly prizes: Team Combinations are randomly generated prior to the start of the Football season, using a random number generator. There are a total of 4960 unique Team Combinations. Each of those Team Combinations is randomly assigned – and distributed -- to a Game Card in groups of 10, prior to the Football season. Each of the 10 Team Combinations corresponds to one week in the FootballMania season. Winners are based on the total points scored by the Team Combinations assigned to the Game Cards in a given week, and not based on whether any team wins or loses their game. For Grand Prizes: The Game Card with the highest total points at the end of the game and The Game Card with the lowest total points at the end of the game will be deemed the Grand Prize Winners.

7. Prizes. The following is the distribution of prizes: Each week of the FootballMania season represents a new, completely independent sweepstakes. In addition, the Grand Prize drawing, which takes place at the close of the FootballMania season, also represents a new, completely independent sweepstakes. Each Game Card has 302 chances to win. Odds of winning in a single weekly game are 1 in 165 and 1 in 2480 for the grand prize game. Odds of winning at least once during the Sweepstakes Period are 1 in 16.9. Each week, Sponsor will award at least 30 prizes (25 prizes to the holders of the 25 highest scoring Team Combinations, and 5 prizes to the lowest). Each week during the Sweepstakes Period, a pool valued at a minimum of $1,400.00 consists of the following:

• Minimum 1 prize with a value of $250.00 each
• Minimum 1 prize with a value of $100.00 each
